ALBANY LEADERSHIP
CHARTER HIGH SCHOOL FOR GIRLS

March 15, 2020 – Update

Good Evening ALH Staff, Students, and Families,

As I'm sure you are aware at this point, we will be closed from Monday, March 16th, through Friday, March 27th.

Please note that all school activities and events, including athletic practices, are suspended until further notice. We anticipate a return to classes on Monday, March 30th, however, we will continue to provide guidance and updates throughout the closure.

At this time, ALH still does not have any confirmed cases of COVID-19. We ask that you direct any medical questions or concerns to your family doctor or healthcare provider.

We understand that an extended school closure may be concerning to many of our students and families. Please know that we are approaching this closure mindful of the following:

- The health and safety of all members of our ALH community.
- Assistance coping with the school closure by continuing to provide free meals to students and families.
- Plans and resources to allow for the continuation of the academic program and access to technology for the duration of the closure.

Breakfast and Lunch for Students:

ALH will provide grab-and-go meals to students during the closure, beginning Thursday, March 19th, from 11:30 a.m. – 1:00 p.m., daily.

Lunch for the current day and breakfast for the following day will be available for pick up during this time.

ALH staff and signage will direct students and families to the location where meals can be picked up. Students should show their Student ID when picking up meals. If parents/guardians are picking up meals on behalf of students, please provide the Student ID(s) for that student(s). ALH staff will be available for assistance, if needed.

Instructional Resources for Students:

Although our building is closed to all staff and students on Monday, March 16th, and Tuesday, March 17th, teachers will work from home these two days developing distance learning curricula. lesson plans, assessments and resources for all classes, utilizing Google Classroom and the other resources previously provided.

On Wednesday, March 18th, ALH Staff will report in order to finalize these plans and resources for the continuation of educational programming and access to technology for students to engage in distance learning.

ALH will follow up with detailed information for students and families Wednesday, March 18th, and on Thursday, March 19th, ALH will be open during regular school hours for students to pick up any belongings and instructional resources/instructions for accessing their classes and communicating with their teachers online. In addition, devices will be available for any student who does not have access at home.
