CITY SCHOOL DISTRICT OF ALBANY
BUREAU OF HEALTH AND PHYSICAL EDUCATION
STUDENT HEALTH APPRAISAL

Parent/Guardian:

New York State Education Law requires students to have a physical examination when they:

- Enter a school district for the first time
- Are in pre-K or kindergarten, first, third, fifth, seventh, ninth and eleventh grades
- Participate in interscholastic sports
- Need working papers
- Are referred to the Committee on Special Education or are scheduled for a triennial review
- Require an appraisal deemed necessary by school authorities to determine an appropriate educational program

While these exams can be administered by the school physician, we urge you to use your child's health care provider. In this manner, a pattern of consistent, optimum health care can be established.

The physical appraisal must describe the condition of the student when the examination was made, which may be no more than twelve months prior to the commencement of the school year in which the examination is required.

If the appraisal is for participation in interscholastic sports, it must be completed no more than 12 months prior to the first day of practice/tryouts for the selected sport.

If this form is not completed and returned to school, or if students do not receive physicals from private physicians, health appraisals will be provided by the school physician during the course of the school year.

Finally, each year a sample of schools in New York State are required to participate in a Department of Health survey to collect data on students' weight status category. Only summary information is included in the survey. No names or identifying information about individual students is shared. Parents must notify the School Nurse in the school their child attends if they choose to have their child's BMI information excluded from the survey report.

Contact the School Nurse if you have any questions.

NOTE: If you have had your child's health care provider complete the front of this form, please return the form to the health office immediately.
