

**March 14, 2020 – Update 7:30 p.m.**

Good Evening ALH Staff, Students, and Families,

Once again, we'd like to thank you for your ongoing patience and understanding throughout the rapidly evolving COVID-19 situation. Albany Leadership still DOES NOT have any confirmed cases of the Novel Coronavirus (COVID-19). However, out of an abundance of caution, Albany Leadership will be closed for students through March 27th, with an anticipated return to classes March 30th. During this time, there will be no classes or school activities, and the building will be closed to students and visitors. In addition, the building will also be closed to ALL STAFF on Monday, March 16th, and Tuesday, March 17th. ALH staff will report for Professional Development on WEDNESDAY, MARCH 18th, at 8:00 a.m., and will finalize plans and resources for the continuation of educational programming, meals, and access to technology for distance learning. ALH will follow up with detailed information for students and families Wednesday, March 18th, and we will continue to provide you with regular updates throughout the duration of the school closure.
