

## How to Create Your PowerSchool Parent Account

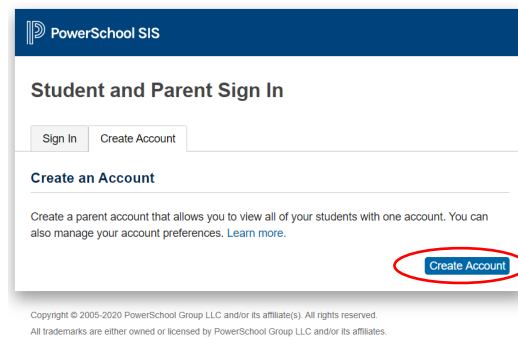

A new account can be created by following these steps:

1. Go to <https://alh.powerschool.com/public>
2. Click on the button labeled "Create Account."

The screenshot shows the PowerSchool SIS login page. At the top, it says "PowerSchool SIS". Below that is the heading "Student and Parent Sign In". There are two buttons: "Sign In" and "Create Account". The "Create Account" button is circled in red. Below the buttons are input fields for "Username" and "Password". There is a link "Forgot Username or Password?" and a "Sign In" button at the bottom right.

3. Enter your parent/guardian account information. Each account must have a unique email address and username.
4. Create a password of your choosing.
5. You must have an Access ID and Access Password for each student you'd like to add to your account  
These have been provided on your student's login information sheet.

Relationship refers to your relationship to the student.

6. Take note of the Username and Password that you have just created, because you will need them to log in to the PowerSchool portal once you click on "Enter".
