Family Action Committee

Engaging Parents for Student Success

It Takes a Village

"It takes a village to raise a child" is an African proverb that means that an entire community of people must be present, active and accountable in children's lives for those children to experience and grow in a safe and healthy environment. A successful student has many advocates. Our "village" calls itself the Family Action Committee and we invite you to become a part of it. It is our goal to support our students in whatever way possible. Parents meet and discuss membership, student needs, recruitment, fundraising and all things ALCS! Believing that every member of our village can be of value, we ask that you take an active role in the support we try to provide to "our" daughters.

How Can You Help?

We understand everyone is busy;
there is minimal time commitment -
a little goes a long way.

Help Participate by:

- Assisting with Cookie Sales
- Creating Raffle Baskets
- Putting together meal bags for long breaks
- Helping us get the word out; write a blog about what you, share a testimonial, etc.
- Assisting with the Clunk Program (Bottle Recycling Fundraiser)
- Reaching out to other parents inviting them to Parent-Teacher Conferences, etc.
- Volunteer at school events

Fundraising

To provide support to our school and our students, and to make certain programs and events possible, we need to bridge the gap between available funds and actual expenses. In order to do this, WE NEED TO RAISE MONEY. All monies raised by the Family Action Committee are solely dedicated to agreed-upon programs, events, or miscellaneous expenses agreed upon by the committee.

Membership Dues

Membership dues for the 2022-2023 school year are \$8.00 per student and \$10.00 total if you have more than one student that attends Albany Leadership.

The membership dues cover one academic year (running from September to June).

No parent/guardian will be excluded from the Family Action Committee if dues are not paid, as Albany Leadership works toward inclusion and representation of all parents. With this being said, membership dues help fund the FAC and are encouraged.
